**AMENDMENT**

Dear Sir:

This amendment addresses the Office Action mailed September 18, 2002. Please reconsider the pending claims of the present application in light of the following amendments and comments. Entry of the amendment is requested since it raises no new issues.

**IN THE CLAIMS:**

Please amend claim 20 as follows:

- 20. (Amended) A liquid crystal display, comprising:
- a plurality of pixels subdivided into a plurality of subpixels;
  - a liquid crystal cell having a top surface and a bottom surface, and including:
    - a first substrate provided with a transparent electrode,
    - a second substrate provided with another transparent electrode, and
